## PILLOWS MENU

### **ELBA Hollow fibre pillow:**

Fibre pillow with maximum recovery capacity.

### **BRASILIA latex pillow:**

100% latex pillow. Its latex open cell structure composition guarantees self-ventilation and elimination of humidity, bacteria and dust.

### **CIES feather pillow:**

100% feather pillow. It adapts to any posture thanks to its softness, comfort and durability. It is a pillow with low height and firmness, very appropriate for people that sleep on their back or change posture often.

### **Cervical support pillow:**

It helps maintain the head aligned with the spine, avoiding bad posture and neck pain.
